Types of Submissions

The ATRN scientific committee invites submissions of papers for oral presentation at the Annual Congress in two major categories:

- **Academic papers:** These papers will be peer-reviewed by members of the Scientific Committee. If accepted, they will be invited to be presented at the ATRN Annual Congress.
- **Presentations based on non-academic papers:** This category covers Policy Briefs, Best Practices, and Short Case Studies.
 - After the ATRN Annual Congress in September, researchers are invited to submit their revised and final papers for consideration for publication in the ATRN Working Paper Series and Policy Briefs. These papers will be submitted to a double-blind Peer-review process. The deadline for paper submission will be in November. The papers may subsequently be published in peer-reviewed journals.
 - *Papers are accepted both in English and in French.*
